PORTFOLIO

Behance Profile
https://www.behance.net/mdali302

PROFESSIONAL OBJECTIVE

I'm a fresher UI/UX designer with a strong interest in modern design trends and user experience principles. Skilled in Adobe Photoshop, Adobe Illustrator, and Figma for creating wireframes, mockups, and prototypes. Passionate about designing interfaces that are both visually engaging and easy to use. I love combining creativity with problem-solving to deliver meaningful solutions. Always eager to learn and explore new design tools, techniques, and technologies. Ready to apply my skills and grow with a dynamic, forward-thinking team.

FEATURED PROJECTS

⚡ Portfolio Website

Designed and developed a personal portfolio website to showcase my projects and skills using HTML, CSS, and JavaScript. Features responsive design, smooth animations, and optimized user experience across all devices with modern UI/UX principles.

⚡ Responsive E-commerce Template

Created a responsive front-end template for an e-commerce website using Bootstrap and media queries. Implemented modern design principles with focus on user experience, mobile-first approach, cross-browser compatibility, and interactive shopping cart functionality.
