Jayanth S K

UI/UX & Graphic Designer

Summary

Enthusiastic graphic design graduate with strong skills in Adobe Photoshop, Illustrator, and Figma. Passionate about creating visually appealing designs and eager to contribute fresh ideas to creative projects. Creative and detail-oriented graphic designer seeking an entry-level role to apply design knowledge in branding, social media, and digital marketing. A quick learner with excellent problem-solving and collaboration skills, eager to contribute innovative ideas, apply academic project experience, and grow as a professional designer in a dynamic environment.
