Executive Summary

As a passionate and ambitious developer, I am eager to expand my knowledge and take on new challenges. As a fresher, I embrace continuous learning to refine my skills and stay at the forefront of technology. I thrive in dynamic environments where curiosity meets innovation, striving to contribute to cutting-edge solutions while growing as a professional. Ready to embark on new opportunities, I am committed to delivering excellence in every endeavor.

Technical Skills

- **Web Development :** HTML,CSS,JavaScript,Bootstrap
- **Library :** React
- **Database :** MySQL
- **Programming :** JAVA
- **Development Tools:** Microsoft Visual Studio Code , Eclipse IDE

Freelance Project

➤ Wood Design | Web Development project

Designed and developed a responsive website featuring a homepage, enquiry form, and interactive UI elements. Built using HTML, CSS, and JavaScript with optimized layouts and visual content to enhance user engagement. Focused on delivering a clean, user-friendly interface suitable for showcasing services, products, or business information.

➤ Comrade | B2B Business Web Application | React

Developed a React-based B2B platform allowing users to browse products, manage carts, and complete orders. Implemented API integration with Axios for dynamic data fetching and built responsive, reusable components to ensure a smooth user experience.

➤ Student Management System |core java

Developed a console-based Student Management System using Java to perform CRUD (Create, Read, Update, Delete) operations on student records. The application allows users to add, view, update, and delete student details stored in a LinkedList collection. It demonstrates strong understanding of Object-Oriented Programming (OOP) principles and data structure manipulation using the Java Collections Framework.

Educational credentials

BCA (Bachelor of Computer Applications)

2022 – 2025

College - Pachaiyappa's College

12 Std - HSC

2021 – 2022

School – St.Paul's Matric Higher Secondary School

Percentage – 82.83

10 Std- SSLC

2020 – 2021

School – St.Paul's Matric Higher Secondary School

Percentage – 83

Achievements

- Completed Skill development Programme Conducted by BMW Foundation – Magic Bus Livelihood Programme.
