Sri Ayyan vidhyashram Higher Secondary School   81%	

## Experience

<b>Internship   Codsoft</b>	2025
Virtual mode   4 weeks   ( SEP -10 TO OCT -10 )	

## Projects

- 1. Lovely Samayal – Digital restaurant menu and ordering App**
  - Built **Lovely Samayal**, a mobile app for restaurants enabling customers to order directly from their table and receive instant digital bills. Improved efficiency by reducing queues and manual errors through intuitive UI/UX design.
- 2. Famfly – Family Flight ticket booking with one boarding pass**
  - Developed a **Famfly** flight ticket booking application introducing single-pass booking for families and couples, reducing boarding complexity and saving passenger time. Designed intuitive user flows and interfaces using Figma
- 3. Find your future – College choosing application**
  - Developed **Find Your Future**, a student-focused mobile app for career and college selection. Designed intuitive filters, clean layouts, and user-centered flows based on research insights. Delivered wireframes and high-fidelity designs using Figma.
